June 25, 2020

Dear Volunteers,

These last few months have brought many changes to our lives and our communities. We know you want nothing more than to welcome our runners and spectators to Corning and our beautiful region. We know you love assisting them, supporting them through the weekend, and helping them navigate the many aspects of their time with us. Our runners love it as well based on all the excellent feedback we receive each year.

We are announcing that Wineglass Weekend 2020 will transition to a **virtual event**. The 39th Guthrie Wineglass Marathon, 10th Wegmans Half Marathon, and Corelle 5K will take place virtually from October 1-31, 2020. Participants can run or walk their race at their own pace anytime during October from wherever they are, even inside on a treadmill. Registration is currently open and will end on October 15, 2020, at 11:59 pm.

Registered participants have three options:

1. Participate in the virtual event. All registered participants will be automatically moved to the virtual event. All participants will receive our ever-popular runner schwag as well as 25% off their entry in 2021.
2. Donate their registration fee. If registered participants wish to support us as we support our community, they may donate their registration fee (minus a small processing fee). In appreciation, they will receive 25% off their entry in 2021.
3. Request a refund. We understand that these are challenging times, and if participating virtually does not interest participants, they can convert their registration fee to a donation.

While our communities and world face new challenges daily, we understand that there is a huge responsibility to our commitment to the health and well-being of our volunteers, participants, partners, spectators, and sponsors. We will miss the in-person moments with our volunteers and runners this year!

We thank you as always for your continued support and dedication to making Wineglass such a special event. To honor your efforts and commitment the best we can, **we are offering volunteers 25% off an entry fee of their choosing**. Please contact your Wineglass Captain for a coupon code or contact us at [info@wineglassmarathon.com](mailto:info@wineglassmarathon.com). To register, click [here](#).

Wishing you all the best,  
Sheila W. Sutton  
Race Director
